Dear Monmia Families,

GREAT THINGS I NOTICED THIS WEEK

- Congratulations to all Year 3 and 5 students, teachers and staff that ensured that the NAPLAN assessments were all completed satisfactorily. Thank you to Mrs Natalie Creasey, Mr Dean Squires and Mrs Vineta Mitrevski for making it a smooth process for everyone.
- Congratulations to the mixed Netball Team for making it to the Grand Final to be held this Friday at the Keilor stadium. **GO MONMIA! DO US PROUD! BE THE BEST!**
- Congratulations to the five Year 5 students Ater, Brianna, Zoe, Nicholas and Hargun who accompanied Mrs Mitrevski and me to the Monmia kindergarten. These wonderful role models willingly interacted and assisted the younger kindergarten students with writing their names, learning to draw and name the shapes and finally read them a story. It was a joy to watch our students and Vineta and I were very proud.

**Early Dismissal**

As of this week, parents/guardians who are picking up their children early for medical or other appointments are asked to come to the office where they will be given a card with protocols to minimise disruption to student learning.

**Early Dismissal Protocols for Parents/Guardians**

- Report to the office
- Sign child/children out with Early Leavers’ Pass
- Take the pass to each classroom teacher of the child/children
- Please turn off mobile phones
- Enter the Learning Space respectfully, without disturbing the classes
- Refrain from talking to other people as this disturbs students working in their classes
- Take child and their bag once teacher has accepted the pass
- Leave school via the office and hand in this Early Dismissals protocols Card

We thank you for your cooperation with this new process. As a school community we want to protect student learning and keep disruptions to a minimum. This is to ensure that your children continue to receive a quality education.

**Casual Vacancy on School Council**

Please contact me if you are interested in becoming part of the school decision-making process by joining the Monmia School Council. We’d love to have you on board.

**Social Media-the good and the bad**

I came across this tweet on social media and thought that parents/guardians may be interested.

Often children are involved with social media of which parents/guardians may not be familiar with or aware of what they do. This is not my opinion nor do I claim to know or use many of these media that are named. George Couros is a Canadian educator who often tweets interesting articles on education and is an advocate for schools using social media. However, I believe it is always wise to be well informed when it comes to young people using social media.

Below are some sites that are becoming very popular with kids that parents/educators should be learning about:

[http://twitter.com/MonmiaPS](http://twitter.com/MonmiaPS)
AskFM
What is it?
Ask.fm is a Latvia-based social networking website where users can ask other users questions, with the option of anonymity.
The Good?
It gives you the ability to ask questions that you are interested in and get feedback from anyone in the world.
The Bad?
The anonymity

Snapchat
What is it?
Snapchat is a photo messaging application developed by Stanford University students. Using the app, users can take photos, record videos, add text and drawings, and send them to a controlled list of recipients. These sent photographs and videos are known as "Snaps". Users set a time limit for how long recipients can view their Snaps (as of November 2013, the range is from 1 to 10 seconds), after which they will be hidden from the recipient's device and deleted from the Snapchat server. (http://en.wikipedia.org/wiki/Snapchat)
The Good?
Many like the ability to be able to share with others images that “disappear” from not only the phone, but someone else's server.
The Bad?
Known by many as the “sexting” app. Although many like the ability to send images for a short amount of time, there is still the ability to “screen capture” images.

Instagram
What is it?
Instagram is an online photo-sharing, video-sharing and social networking service that enables its users to take pictures and videos, apply digital filters to them, and share them on a variety of social networking services, such as Facebook, Twitter, Tumblr and Flickr. A distinctive feature is that it confines photos to a square shape, similar to Kodak Instamatic and Polaroid images, in contrast to the 16:9 aspect ratio now typically used by mobile device cameras. Users are also able to record and share short videos lasting for up to 15 seconds. (http://en.wikipedia.org/wiki/Instagram)
The Good?
Instagram is an easy way to share photos and add filters to give them a “vintage” look. It is one of the first major social media applications that was focused solely on being mobile making it easy to use by anyone. There are some amazing images shared on Instagram and it gives people an easy accessibility to an audience (example).
The Bad?
Many accounts are public and a focus is building followers. Due to the visual nature, there are many accounts that focus mostly on sharing inappropriate content as it can build a “following”. Again, it is not based on the app, but how it is used.

**Vine**

**What is it?**

Vine is a mobile app owned by Twitter that enables its users to create and post short video clips. The service was introduced with a maximum clip length of six seconds and can be shared or embedded on social networking services such as Twitter (which acquired the app in October 2012) and Facebook. Though Vine was initially available only for iOS devices, it has been introduced on Android and Windows Phone. ([http://en.wikipedia.org/wiki/Vine_(software)](http://en.wikipedia.org/wiki/Vine_(software))

**The Good?**

Surprisingly there have been some extremely creative and interesting vines as people have really leveraged the 6 second time frame.

**The Bad?**

Like any social media site, people use it for sharing inappropriate things.

**2016 PREP ENROLMENTS**

Enrolments for 2016 are now being taken. If you have a child that will be turning 5 before 30 April 2016 and you want to enrol them for Prep, please see Catherine or Norma in the office for an enrolment pack.

Parents/Guardians enrolling their child will need to provide their child’s birth certificate or passport as well as their completed immunisation certificate.

Appointments for school tours are available on request and can be booked by calling Norma or Catherine in the Office.

If you know of neighbours or relatives living in our area who want to enrol their child/ren for 2016 please ask them to contact the school for an enrolment pack.

To secure a place in our Prep 2016 intake School Council has stipulated a $50 non-refundable deposit. This security will be deducted from the 2016 Resources and Materials Charge.

Enrolments will not be accepted without the deposit or the required certificates.

Confirmation of enrolment will include a gift for each 2016 Prep student of a Book Box and book to start them on their reading adventure!

IT’S NOT OK TO BE AWAY

If your child is absent from school it is crucial to inform the school as to the reason for the absence. To communicate a student absence to the school please:

- make a phone call to Norma or Catherine in the school office between 8.30am to 9.30am on the day of the absence.
- send an email to the school’s email, monmia.ps@edumail.vic.gov.au, to inform the school of the absence.
- send a written note and/or certificate to the classroom teacher when your child returns.

Thank you for your support with the school’s attendance procedures.

Dear Monmia Families,

We welcome you all to Monmia to help us celebrate Education Week from the 18th to the 22nd of May.

All classrooms will be open throughout the week and the students would love to share their learning across all areas of the curriculum. Take a look at the Calendar of Events on the last page of this newsletter to see what is happening throughout the week.

A special assembly will be held on Monday 18th of May at 9am. Student work will also be displayed at Centro Keilor Downs Shopping Centre throughout the week.

Please note that Wednesday is a curriculum day and therefore no students will be attending school.

Don’t forget the always amazing Art Show on Tuesday evening with a guest appearance from the Monmia School Choir.

Looking forward to seeing you there!

Warmest regards,
Merryn Auld- Education Week Coordinator

Dear Parents and Guardians,

It is important to know what bullying is and what it is not. Monmia has NO TOLERANCE on Bullying. We often hear the term “bullying” being used, but most of the time it is not used correctly. It is very important to understand what bullying is and what it is not. The Department of Education and Early Childhood Development’s definition is:

‘Bullying is when someone, or a group of people, deliberately upset or hurt another person or damage their property, reputation or social acceptance on more than one occasion. There is an imbalance of power in incidents of bullying with the bully or bullies having more power at the time due to age, size, status or other reasons’.

It’s NOT bullying if students just have an argument or if someone says or does just one nasty thing to someone else. Bullying can take many forms:

1. Direct physical bullying
   - hitting, tripping, pushing or damaging property

2. Direct verbal bullying
   - name calling, insults, ‘put down’ comments and racist remarks

3. Indirect emotional bullying - This form of bullying is harder to recognise and often carried out behind the person’s back. It is designed to harm someone’s social reputation and cause humiliation. Indirect bullying includes:
   - lying and spreading rumours
   - playing nasty jokes or mimicking to embarrass and humiliate
   - encouraging others to socially exclude someone
   - damaging someone’s social reputation and social acceptance

4. Cyber-bullying, which involves the use of technologies such as the use of email, text messages, chat rooms, Facebook or Twitter to humiliate and distress a person.

Family Activity
Look up the RSPCA (Royal Society for the Prevention of Cruelty to Animals) website. Discuss the connection between the RSPCA and bullying of a person.

- How would it feel to see animals being mistreated?
- How would it feel to see students being bullied?
- What would you do if you saw animals being mistreated?
- What would you do if you saw another student being bullied?

I hope you find the articles interesting and useful.

On Tuesday two Policemen came to school and one of them was Valentino’s dad, David. He came on his motorbike and he wore a helmet. We went in the Police car and we got to sit on the motorbike. They showed us the baton, handcuffs and the capsicum spray. We got to try on the Police cap, the helmet and the vest. Molly and F.J. put the handcuffs on Mrs. Peters. That was funny!! The siren was very loud and some children were scared. The Policemen catch criminals and they look after people in our community.
Dear Parents and Guardians,

Monmia is a Bucket Filling School!
We fill buckets and we don’t dip!
We use our lid to keep our bucket full and keep the drops in!

I love how the Bucket Fillers Philosophy has been embraced by our school community this year. I know that we can keep filling other people’s buckets and make Monmia Primary School a warm, positive and caring place to be. When we all fill other people’s buckets then all community members benefit from these acts of kindness.

There is so much to acknowledge at Monmia Primary School! Here are some ‘drops’ for you to read.

Remember that when you fill someone else’s bucket, you fill yours as well so keep filling buckets Monnia!

Happy Bucket Filling!

Kind Regards,

Monmia Kindergarten Visit

On Friday 8\textsuperscript{th} May, Mrs Bell and Mrs M with five students from Year 5 completed a buddy visit to our local Monmia Kindergarten.

During this time our Monmia students were involved in assisting the kinder students to complete set tasks. All five students were congratulated for the way in which they helped and provided the time to each and every kinder student. Relationships amongst kinder and school students were built very quickly.

This program will allow our Year 5 students to build leadership skills whilst interacting with students of a younger age. We are excited to provide such a rewarding opportunity that will enable our kindergarten students to transition into school with so much more familiarity as well as prepare our Year 5 students as leaders when they are in Year 6.

Here are some reflections capturing the experience.

\textit{I liked seeing the kinder students smile as I helped them. I was surprised in the way they listened to me when I read to them.}

Breanna

\textit{The kinder kids were amazing as I helped them trace shapes. They could do it for most of the time on their own. I loved when one of the kids drew a picture of me.}

Hargun

\textit{I really liked helping the kinder kids do their work. I watched them draw pictures. 3 kids drew a picture of me. I am looking forward to visiting the kinder again.}

Zoe

\textit{I was really proud of the kinder kids when they were trying to write their names. They had to trace their name first, and then write it on their own. They did not give up! I can’t wait to do another visit.}

Ater

\textit{I enjoyed watching the kinder kids complete hard tasks. They were so persistent when they were tracing and learning their names. I am excited about going on another visit to the kinder.}

NAPLAN ASSESSMENTS

The National Assessment Program- Literacy and Numeracy (NAPLAN) is an annual assessment for students in years 3, 5, 7 and 9.

On Tuesday 12\textsuperscript{th}, Wednesday 12\textsuperscript{th} and Thursday 14\textsuperscript{th} May, students undertook the 2015 NAPLAN assessments.

NAPLAN is made up of assessments in the four domains of Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy.

NAPLAN assesses skills in literacy and numeracy that are developed over time, through the school curriculum. NAPLAN is not a pass or fail type assessment, but rather shows how individual students are progressing in numeracy and literacy skills against national standards for all Australian children.

All our students were encouraged to participate in all assessments.
An individual student NAPLAN report will be issued later this year. Parents can use this information to monitor how their child is progressing and to identify any areas of concern. Keep in mind that NAPLAN assessments provide point-in-time information in relation to student performance.

Congratulations to all of our Year 3 and year 5 students for the way in which they undertook all of the assessments over the last three days. We look forward to honouring and celebrating each students achievements once schools are sent achievement data.

**Pre Service Teachers and Work Experience Students**

Monmia Primary School supports many Universities and neighbouring Secondary Colleges with providing placements for work experience and placements for students completing a degree in Education. Good Teaching Practice is observed by the PSTs and work experience students act as an extra helping hand, supporting teachers and students in the classroom. We have had a range of PSTs already in our school completing placements and are looking forward to the work experience students commencing their placements next term. Next term we are expecting more PSTs from Victoria University which will require some of our teachers to continue the role of a mentor.

**Effective Feedback**

Feedback

Throughout last year we started our learning on what is feedback and its purpose so that further improvement could be achieved in learning. This term this learning has continued.

We have understood that feedback can be given and received in spoken or written forms by the person it involves directly or by others.

We want all our students to be able to be totally focused on the learning and know what else they can do to do even better. In order to achieve this we need to ensure the feedback being given and received daily is specific enough that it will provide information that will allow further growth or improvement.

I will be using the Monmia newsletter to communicate to families the learning that has been understood about feedback and we encourage that the language and questions posed of our students and teachers are also used in the home setting.

You might have noticed that your children are coming home and are being quite specific in the feedback they are giving to you on a range of matters at home.

Keep in mind that the purpose for the feedback is that it is aimed to drive future improvement.

I am encouraging all parents to use the following prompts when giving feedback to your child. These prompts are currently being used by our teachers and students when giving feedback.

**Self-Level Feedback:**

- Praise

**Task Level:**

- Are your answers correct/incorrect?
- Can you elaborate on the answer?
- What did you do well?
- Where did you go wrong?
- What is the correct answer?
PAYMENTS AT THE OFFICE

When making payments for any items at school, can we please ask that parents supply the correct money as we do not have change at the Office.

Also, just a reminder that we now have EFTPOS available.

Have a great week from the Family & Friends Team!
OSHC TIMES

MONMIA PRIMARY SCHOOL OSHC

Hello to all

It had been a good and exciting week. I was away to Japan for a week. It really amazed me to see how clean the people keeps their country. I realised that despite the fact that garbage bins are not to be found everywhere I go no one litters but ensures they carry their waste in a plastic bag & throws it when a garbage bin is available. This instigates the habit into the younger generation!

Here in OSHC children did drawings, colourings, cards & photo frames for mother’s day activities. There were puzzles such as word searches, crossword & word scrambles for them to engage in. Esra E presented her research of how mother’s day first started at assembly. Awesome work Esra!

History of Mother’s day
In the United States, Mother’s Day started nearly 150 years ago, when Anna Jarvis, an Appalachian homemaker, organized a day to raise awareness of poor health conditions in her community, a cause she believed would be best advocated by mothers. She called it "Mother’s Work Day." In 1905 when Anna Jarvis died, her daughter, also named Anna, began a campaign to memorialize the life work of her mother. The campaign was finally recognized in 1908 as the celebration of mother’s day.

This week in OSHC
All geared up for friendship this week. More drawings, handprints & puzzles as well as friendship bracelets will be made. Meaning of friendship will be learnt. Children will be playing games that would need them to work as a team & engage cooperation.

Booking your child in for fun filled activities
Book your child in After School Care by registering for an Account either thru our website www.campaustralia.com.au or by calling our customer service at 1300 105 343. Registration allows for 24/7 access to managing your Account.

To help get families back into the swing of things if your child is attending after school care for the first time, here are some tips that you might find handy for easing your children into after school care.

We’re here to make after school care visits the best experience possible for you and your child. If you have any questions about the program please feel free to drop by, meet the team and see what happens in after school care first hand.

We look forward to seeing you soon.

Have a great week.
