

MONMIA PRIMARY SCHOOL

- Learn and Achieve -

Dear Parents and Guardians,

Welcome, we are looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. With the ongoing support of our families, we can offer the best possible education and support for all students. We want to thank you for all your ongoing assistance, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, this financial support has allowed for the:

- purchase of a set of School iPads to be shared with students that do not have their own in the classroom.
- inclusion of a STEM program as part of the school curriculum
- maintenance of our school grounds including garden edges and tan barking
- repairs and maintenance of school buildings

From 2022, Book Packs will be available for purchase through Maxim online. Book packs can then be collected from the school on **27 January 2022 from 9am to 1pm and from 2pm to 6pm.**

For further information on the Department's Parents/Guardians Payments Policy please see a one-page overview attached.

Yours sincerely,

Lorraine Bell

Principal
